

BOYS & GIRLS CLUBS OF WELD COUNTY

OPERATIONAL PROTOCOL – FALL 2021

Updated 8/30/21

BGCWC will follow the guidelines of local school districts as well as the county and state.

BGCWC will continue the cleaning protocol of ongoing sanitizing highly touched surfaces.

BGCWC will continue to have hand sanitizer available at all locations.

BGCWC will strongly encourage good hygiene of hand washing, keeping reasonable social distance, covering mouths for coughs/sneezes, and touching one's face, nose, and mouth

Parents need to keep children at home who are sick and have COVID symptoms.

BGCWC staff will not come to work sick or with COVID symptoms.

- For our Greeley/Evans District-6 Clubs
 - A required mask policy for all members and staff during indoor Club activities.
- Non District-6 Clubs
 - Masks are strongly recommended for all kids and staff who are not fully vaccinated. Usage will be left to the personal discretion of the employee and the Club families. We will support and honor the request of parents.
- For all our Clubs
 - Masks are required for all staff and kids while being transported in a Club vehicle.
 - Visitors, including parents will be asked to wear masks.

We will continue to monitor guidance, requirements and mandates that are issued from the state and will modify these guidelines as needed. We appreciate your support during these continuing challenging times.
